

Valued Customer,

Due to the recent outbreak of Coronavirus (COVID-19), we have made the difficult decision to **temporarily close our showroom** to the public for the safety of our employees and you as a consumer. During this time, **we will accept showroom appointments ONLY**. We are working to maintain a healthy and safe work environment, so we simply ask that you take some extra precautionary measures:

- *Please do not enter if you or anyone in your home is sick.*
- *Forgive us if we don't shake hands, as we are actively practicing social distancing.*
- *If you feel the need to cough or sneeze, please use a tissue if one is available. If not, please cough or sneeze into your elbow and wash your hands immediately following.*
- *Wash your hands with warm water and soap for at least 20 seconds, especially after going to the bathroom, touching your face or touching frequently used surfaces.*
- *Know that we are doing our part to keep our environment as clean as possible by frequently cleaning touched objects using disinfecting wipes/cleaners.*

In closing, we appreciate your understanding of our decision to temporarily close our showroom to the public and only take scheduled appointments.

Thank you for your continued support and know that we are all in this together!
